**Sorara™ USA Outdoor Living** offers a wide range of sunshade and outdoor living products for your garden, patio, restaurant, outdoor events, hotel or resort use. Our products are designed by experts from Italy, Spain and Israel with a focus on **Design, Quality and Functionality**, with several products receiving the well-known Red Dot Design Award.

Translated, “Sorara” means “Sunny Day” evoking a feeling of happiness, fun, and leisure. The brand was introduced 10 years ago in China and focuses itself on outdoor living products. Since 2006 Sorara has been one of the leading brands and now available all over the world. Sorara is not only a specialist in the outdoor living category, but also produces most of the products within this category. We offer functionality in combination with contemporary designs, made by our in-house product designers.

Making the best sunshade and outdoor living products is our mission, not only in words but from our heart. We believe that a comfortable garden will improve the life quality for all humans, providing relaxation, peace and serenity.

**“We are committed to continually offering innovative products and services so we can create a bright future with our customers and partners.”**

### **Market Umbrellas**

The Sorara™ USA Market Umbrella Collection features umbrellas that provide large shade coverage with an upscale style. With tilt and crank functions, these easy to use umbrellas set up and open quickly for your shading needs. Use either on a base or free-standing through a table. Supplies enough coverage to shade 42”- 54” round, rectangle, and square tables with 4 or 6 chairs. Several models are offered with premium Sunbrella® Fabric.

### **Cantilever Umbrellas**

The Sorara™ USA Cantilever Umbrella Collection features large offset umbrellas that provide ample shade coverage. Enjoy day or night entertaining with our lighted models. Weighted bases included. Several models are offered with premium Sunbrella® Fabric.

### **Hammocks and Swings**

Sorara™ USA Hammocks and swings are perfect for summer use. You can enjoy wonderful leisure time listening to music, reading or just enjoying the beautiful outdoors with family and friends. Free-standing units can be easily moved to any location. Heavy-duty steel frames can hold up to 400 lbs.

### **Decorative Garden Gazebos**

Our Sorara™ USA Decorative Gazebos add a functional and attractive touch to your backyard and outdoor relaxation. Powder-coated steel frames and solution dyed fabrics assure your gazebo will last for seasons to come. Our outdoor gazebos come with adjustable netting for protection from bugs ensuring an enjoyable outdoor gathering experience.

### **Pop-Up, Commercial and Car Canopies**

Sorara™ USA Canopies provide a comfortable shaded area for your outdoor activities. Pop-up models are perfect for tailgating, outdoor sporting or recreationla events. The larger models are great for open-air markets, and offer sun protection as well as being waterproof.

### **Outdoor Furniture Covers**

Waterproof, breathable fabric protects outdoor furniture while being mold and mildew resistant. Corded bottoms allow for a snug fit. Several sizes available to fit most outdoor furniture.

Sorara composite deck tiles are easy to install snap-together tiles made from wood and plastic composite to resist weather and insect damage. Sorara deck tiles offer superb durability - fade resistance - do not corrode and are highly resistant to rot and decay for easy “Do-It-Yourself” installation. Attach tiles together with no tools required - No messy glue, no nails, no staples. Perfect match and precision spacing between every tile, every time. The elevated PVC platform base allows for adequate drainage and moisture ventilation. Consider using this interlocking flooring around your outside pool, deck or spa area.
